## 2012 LOBO/LANCAIR FLY-IN

### DOOR PRIZES!

Some of you are coming to the 2012 LOBO/Lancair Fly-In in Sedona, AZ to hang out with old friends and make new ones. Some of you want access to the incredible brain trust of information and to learn to better maintain and fly your Lancair professionally and safely. Some of you will experience one of the most beautiful pieces of landscape in the world. Some of you just want to look at all the Lancair eye candy flying in from all over the country. And finally, some of you are coming for the SWAG! (You know who you are.)

We have great news for the last group, because two lucky winners will receive their next biennial flight review from High Performance Aircraft Training (HPAT)! The HPAT Team includes test pilots, corporate and commercial pilots, professors and meteorologist and aerospace engineers. HPAT's knowledgeable instructors boast years of experience in helping prepare clients to fly with confidence and safety in high performance aircraft, anywhere in the world.

If you want a chance to experience world-class, professional training from HPAT just sign up for the 2012 LOBO/Lancair fly-in—do it now!

**CONGRATULATIONS!**
