

2013 LOBO/LANCAIR LANDING

AUCTION ITEM!

Some of you are coming to the 2013 LOBO/Lancair Landing at Greenville, SC to hang out with old friends and make new ones. Some of you are coming to learn the best ways to maintain and fly your Lancair professionally and safely. Some of you are coming to experience the lush, verdant countryside in the foothills of the Appalachian Mountains. Some of you are coming just to look at all the Lancair eye candy flying in from all over the country. And finally, some of you are coming for the goodies and gadgets!

We have great news for the last group, because we will be auctioning a portable emergency oxygen kit from our friends at Precise Flight. Anyone who owns one will tell you the exhilaration of flying a Lancair can take your breath away. This nifty system can help you get it back! Sporting a 6.3 cu. ft. aluminum cylinder, a pressure regulator, two Oxymizer® cannulas, two face masks, two A-5 oxygen flow meters and all the necessary tubing and connectors, you'll breathe easy knowing the Precise Flight Oxy-Pack 1 is aboard. Don't miss a chance to win this outstanding system—sign up for the fly-in now!
