

SEPTEMBER 28-30

## 2012 LOBO/LANCAIR FLY-IN

## DOOR PRIZES!

Some of you are coming to the 2012 LOBO/Lancair Fly-In in Sedona, AZ to hang out with old friends and make new ones. Some of you want access to the incredible brain trust of information and to learn to better maintain and fly your Lancair professionally and safely. Some of you will experience one of the most beautiful pieces of landscape in the world. Some of you just want to look at all the Lancair eye candy flying in from all over the country. And finally, some of you are coming for the SWAG! (You know who you are.)

We have great news for the last group, because Precise Flight has donated another set of its popular speed brakes! According to Precise Flight, their finely crafted speed brakes can be deployed at  $V_{NE}$  allowing powered descents of up to 1500-1900 fpm, powered descents, less worry of shock cooling, smoother flight in turbulence, better crosswind control and better stopping performance.

All you have to do for a chance to **POP, DROP & LAND** with a set of Precise Flight speed brakes on your Lancair is sign up for the 2012 LOBO/Lancair fly-in. What are you waiting for?

For more information regarding the Fly-in please contact Lisa Williams or Claudette Colwell.
