

LANCAIR OWNERS & BUILDERS ORGANIZATION

LOBO FORUM AT AIRVENTURE 2013!

WHEN: MONDAY, JULY 29TH
1300 - 1415

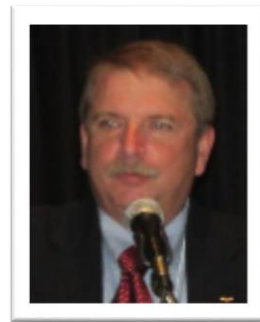

WHERE: FORUMS PLAZA, PAVILION #2

SPEAKERS: LOBO PRESIDENT JEFF EDWARDS &
THE HONORABLE DR. EARL WEENER

Jeff Edwards is a retired Navy A-6 bombardier/ navigator; CFI/ CFII and former FAA designated Pilot Examiner who served as an aircraft accident investigator for the U.S. Navy, McDonnell Douglas and Boeing. His unique viewpoint on aviation safety is tempered by his participation in 500+ aircraft accident investigations and reconstructions. In addition to those impressive credentials, Jeff and his wife Shelby have built two Lancairs.

Dr. Weener is a Presidential appointee to the National Transportation Safety Board, an experienced commercial licensed general aviation flight instructor and charter pilot, and recently served as Fellow for the Flight Safety Foundation. His aviation experience includes positions as engineering executive, safety advocate, industry safety spokesperson, engineer and professional pilot. He held a series of Chief Engineer positions during his 24 years with Boeing, and has given numerous presentations on aviation safety in airline operations, as well as corporate, business and general aviation safety.

Come to the LOBO forum at AirVenture 2013 to hear Jeff Edwards and The Honorable Dr. Weener speak about their lifetime aviation experiences and how you can apply what they've learned to make owning and flying a Lancair aircraft safer and more affordable.
